Games and Sports Facilities / Extra Curriculum Activities

The Institute's students have an access to the play grounds of Maharaja Aggarsain Cricket stadium, Football, Volley-Ball, Weightlifting Gym, Lorf Ball, Drop Roball, Kho-Kho, Basket Ball, Maharaja Aggarsain Central Indoor Auditorium, etc. which are utilized by the students of the College. The college has also a Medical Room, Girls Common Room, Cultural Activity Centre in the campus where the facilities are also offered for indoor games i.e. Table Tennis, Chess, Caram, Yoga, Meditation, Exercise Equipments also. The students of the institute also organize / participate in the Inter College and Departments Cricket / Football / Basket Ball / Volley-Ball etc. from time to time. Annual Athletic Meet and Annual Cultural Function is organized in which the students of the college participate. The college offers healthy environment for experimental learning through Yoga, Meditation and Art of leaving which are offered to the deserving students at very nominal cost.

Soft Skill Development Facilities

A personality Development cell has been established in the Institute under the headship of Training & Placement Officer along with Convenor, Cultural Activities and faculty of English & Communication Skills. The cell take care of developing the Soft Skills of the students right through first year. In different intervals, Decelation, Symposium, etc. are organized in the Department of the College. Mock session of presentation, Group-Discussion, Interviews, etc. are conducted to develop there skills so that they can perform better at the time of campus placement.

Teaching Learning process

The faculty is required to prepare the evaluation plan at the start of the semester and make it known to the students so as to ensure transparency and objectivity. During the semester, the assignments, surprise tests, quizzes, mid-term and final term examinations, class presentation, field projects are carried on by the faculty along with lecture delivering. The guide lines supplied by the university for

internal assessment are followed. Resource persons from industry are invited for extension lectures and plant visits are conducted regularly to have the industry institute interface. Senior faculty from universities, IIT's and Institutes of excellence visit the college frequently and share their views with the students and enrich their knowledge base.

➤ **Internal Continuous Evaluation System and place**

The student evaluation is done continuously throughout the semester, such that the faculty provides regular feedback to each and every student. The scheme of Internal Evaluation is followed as per the University guide lines which consists of class attendance, assignments, mid & final term test, class performance, etc. the course also require students to undertake projects involving research work under the guidance of faculty member. The report of the project is presented by the student in the department based upon which awards are given for the research project report by the faculty concerned. At the end of every year of Engineering Course, a General Proficiency Test is also taken and awards are given to the student based upon his performance in the comprehensive test and interview.

➤ **Students' assessment of Faculty, System in place.**

We have appraisal system for the faculty which is approved through proper scrutiny by the management / Principal. Feedback from students is obtained for each faculty at the end of semester which is reviewed by the Principal and report is made accordingly. The transparent system of faculty appraisal is followed so as to provide opportunity for continuous improvement.
