Vaish Education Society came into existence in the year 1919. The foundation stone of its first institution-Vaish High school (later on upgraded to Vaish Senior Secondary School) was laid down by Mahatma Gandhi Ji, the father of the nation, on Feb 16, 1921 and in this way the VES has the honour of being the only institution in the country to achieve this distinction. Today this society has become one of the biggest, in the country having 25000 life members on its roll. The society has presently twelve dynamic institutions working under its banner and caters to the need of around 12000 students.

The society is committed to disseminate quality education at various levels in different fields through the institutions. The society established Vaish College of Engineering in 1995

103 YEARS OF EXCELLENCE

Message From Former President, VES

"The engineer has been, and is, a maker of history."

James Kip Finch

Education is a very important contributing element to both social mobility and economic development of a country. Engineers, hold the title of builders of our modern world; they're the dreamers, problem-solvers, and perfectionists who continually push the boundaries of what's possible. Their creations appear to speak louder than words. As you cross the traditional threshold and step into the portals of Vaish college of Engineering the realm of professional education is unfastened to achieve your goals and fulfil your dreams. I look forward to your becoming not only an engineer or a manager, but a person with holistic approach to contribute to our nation's prosperity through individual growth. The institute is dedicated to build managers and engineers who are hardworking, who are team players and pragmatic, who have fire in their belly to achieve results and have their feet firmly on ground. Any engineering school worth its salt aims to create champions in their field who have extensive knowledge on disruptive technologies like Internet of Things (IoT), Artificial Intelligence (AI), Machine Learning (ML) etc. and harness them to invent even more ideas for growth.

Our educational mission at VCE is to build on the pillars of diligence, transparency, teamwork and high accountability.

GIRISH CHAND GUPTA
Former Vice President, VES
Income Tax Appellate Tribunal

Message From President's Desk VES

Greetings to all,

It is my pleasure to extend a warm welcome to the extraordinary world of Vaish College of Engineering (VCE), where innovation meets excellence and dreams are transformed into reality. The environment of technical and managerial knowledge is provided at VCE which has been established to open seamless possibilities for providing quality technical education to wide array of students craving for a distinguished career in the field of engineering and management. The institute is dedicated to provide comprehensive education and development opportunities for its students by organizing orientation programs, workshops, and seminars.

As the President of Vaish Education Society, it is my distinct privilege to introduce you to the outstanding achievements and boundless potential of VCE. Accreditation by NBA for CSE and EE of VCE manifests their unwavering dedication to academic excellence and quality education. I am thrilled to share that VCE has showcased its excellence by securing the overall trophy in the Zonal Youth Festival of MDU Rohtak. This remarkable achievement speaks volumes about the talent, dedication, and hard work of our students and faculty members. Additionally, VCE has made its mark on the national stage by securing the second position in theatre at the Inter University National Youth Festival in 2024.

Remember, the time at Vaish College of Engineering is not just about acquiring knowledge; it's about discovering the passion, honing the skills, and becoming the best version of self.

NAVIN KUMAR JAIN
President, VES

Message From General Secretary (Ad hoc), VES

Dear Readers,

In a country where education is held in very high esteem and the teacher is equated with God, Vaish College of Engineering is committed to delivering top-notch education while nurturing students into responsible professionals and individuals. At Vaish College of Engineering, we pride ourselves on offering a dynamic learning environment that fosters innovation, creativity, and academic rigor. Our college is continuously attracting most of the major recruiters in its placement drive. Our students undergo meticulous grooming, instilling in them the values of hard work, discipline, and ethical conduct in their chosen field throughout their campus journey. Emphasizing the significance of extracurricular activities, our campus life opens doors to various opportunities for the students. These efforts culminate in producing well-rounded professionals who are adaptable to new ideas and technological advancements in their respective industries. We firmly believe that our empowered students will not only contribute significantly to the organizations they join but also to the progress of our nation as a whole.

SHYAM LAL GARG
General Secretary
(Ad hoc), VES

Message From Member B.O.G., VCE

Dear Readers,

Your decision to structure your career in Engineering / Computer Application/ Management at Vaish College of Engineering is highly commendable and I am thrilled to share the remarkable career and placement opportunities our institution offers to our students. At VCE, we pride ourselves on our strong industrial connections and dedicated placement cell, which work tirelessly to secure internships and job placements for our graduates in leading companies and organizations. Our rigorous academic curriculum, supplemented by practical training and hands-on projects, equips our students with the skills and knowledge demanded by today's competitive job market. It is truly gratifying to witness our graduates secure coveted positions across various industries, serving as testament to the quality education and holistic development they receive at Vaish College of Engineering. Join us, and let us help you pave the way to a successful and fulfilling career.

Er. RAJESH NAWAL
Member
B.O.G., VCE

Message From Member B.O.G., VCE

Greetings to all,

It gives me immense pleasure to present Vaish College of Engineering for the society. We are working hard to emphasize innovation, collaboration and problem solving. We commit for addressing pressing global challenges, improving quality of life and fostering sustainable development through research, technology and education. I take pride in witnessing the vibrant cultural and sports scene flourishing within our institution. Here at VCE, we place immense value on holistic development, fostering not only academic excellence but also nurturing the talents and passions of our students in cultural and sports arenas. Our college provides a platform for students to explore their artistic inclinations through various cultural events, fostering creativity, expression, and inclusivity. Additionally, our robust sports programs encourage physical fitness, teamwork, and sportsmanship, instilling valuable life skills that extend beyond the playing field.

We invite you to join us on this journey of discovery and transformation. Together, we can harness the power of science and technology to create a brighter and more sustainable future for all.

Er. SUNNY GOEL
Member
B.O.G., VCE

Message From Principal's Desk

Greetings to all,

I am extremely happy to introduce you to the Vaish College of Engineering which was established in 1995 with a Vision "to become one of the best-known private engineering and management colleges in the country producing professionals of world class standards contributing to the growth of the country". At the Vaish College of Engineering, we are striving hard to achieve excellence in all fields like academics, infrastructural facilities, practical training and personality development programs for the students. I would like to welcome all the new entrants and assure them that they will be provided an environment to achieve higher academic excellence which will enable them to meet all the challenges in their future.

We have a mission in higher education and we promise to review the quality of our aims and strive to go higher and higher in the field. We are confident that our students will meet your expectation due to hardwork and good learning. Now we have earned NBA Accreditation for B.Tech computer science and engineering & B.Tech electrical engineering.

I welcome all young leaders to be a part of this legacy.

Dr. DEEPAK KUMAR GOYAL

Principal

ABOUT THE COLLEGE

Vaish College of Engineering, affiliated with M.D. University and approved by the All India Council for Technical Education (AICTE) is a premier institution established in 1995 is one of the First Self-Financing Colleges of Haryana. The campus is delightfully planned and landscape with impressive buildings, lawns, playgrounds, and shaded avenues. It comprises 16.77 acres of land which is a part of Vaish Educational Complex spread over an area of 86 acres. College offers a comprehensive range of engineering and management programs such as Computer Science and Engineering (CSE), Mechanical Engineering (ME), Electrical Engineering(EE), Artificial Intelligence (AI), Bachelor of Business Administration (BBA), Bachelor of Computer Applications (BCA), Master of Technology (M.tech) and Master of Business Administration (MBA). With accreditation from the National Board of Accreditation (NBA), the college upholds rigorous academic standards and excellence. Among its various engineering departments, Computer Science and Engineering (CSE) and Electrical Engineering (EE) stand out as accredited programs, reflecting the institution's commitment to quality education and industry relevance. Through innovative teaching methodologies and state-of-the-art facilities, Vaish College of Engineering nurtures aspiring engineers, equipping them with the skills and knowledge to thrive in today's dynamic technological landscape.

OUR VISION

To become one of the best-known private Engineering and Management Colleges in the country producing professionals of world class standards contributing to the growth of the country.

OUR MISSION

1) To prepare students to sustain and grow in digital world through extensive use of ICT to be employment ready with ethical values and environment consciousness.

2) To encourage startups, research, and innovations among students.

3) To start new programs in cutting edge technologies based on the industry needs.

4) Improve publications and continuous upgradation of skills for teachers through trainings in latest pedagogy and contents.

" Vision is what you want to do, Mission is what you have to do "

At Vaish College of Engineering, we take pride in offering a diverse array of programs designedto cater to the aspirations of our students. With a focus on excellence and innovation, our undergraduate and postgraduate programs cover a wide spectrum of disciplines including Engineering and Business Administration.

UG Courses
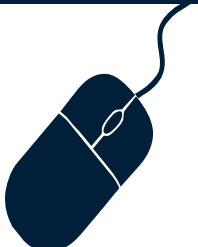

B.Tech. COMPUTER SCIENCE & ENGINEERING (180 Seats)
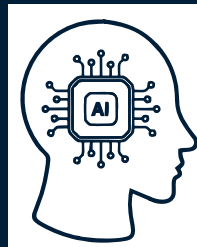

B.Tech. ARTIFICIAL INTELLIGENCE (30 Seats)

B.Tech. MECHANICAL ENGINEERING (30 Seats)

B.Tech. ELECTRICAL ENGINEERING (30 Seats)

(BBA) BACHELOR OF BUSINESS ADMINISTRATION (60 Seats)

(BCA) BACHELOR OF COMPUTER APPLICATION (120 Seats)

PG Courses

M.Tech. COMPUTER SCIENCE & ENGINEERING (18 Seats)

(MBA) MASTERS OF BUSINESS ADMINISTRATION (120 Seats)

ELIGIBILITY AND ADMISSION PROCESS

UNDER GRADUATE DEGREE PROGRAMME (FULL TIME)

PROGRAMME	DURATION

ENGINEERING AND TECHNOLOGY (B.TECH) — 4 Years

Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the chemistry/ biotechnology/biology/technical vocational subject/computer science/information technology/ informatics practices/ agriculture/Engineering Graphics/ Business studies. Obtained at least 45% marks (40% in case of candidates belonging to reserved category) in the above subjects taken together.

ENGINEERING AND TECHNOLOGY (Lateral entry to Second year)(B.TECH) — 3 Years

A.Passed Minimum 3-years / 2-Years (Lateral Entry) Diploma examination in any branch of Engg. & Tech. with at least 45% marks (40% marks in case of candidates belonging to reserved category).

OR

Passed B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as a subject. B. For Kashmiri Migrants (KM) relaxation in cut-off percentage upto 10% subject to minimum eligibility requirement.

BCA (Bachelor Of Computer Application) — 3 Years /4 Years

Senior Secondary Examination (10+2) with atleast 45% marks (42.75% marks for SC/ST/ Blind/ Visually and Differently Abled candidates of Haryana only) in aggregate from Board of School Education Haryana, Bhiwani or any other examination recognized by M.D. University Rohtak as equivalent thereto. OR Three years Diploma Program conducted by the State Board of Technical Education or any other examination recognized by the State Board of Technical Education as equivalent thereto.

BBA (Bachelor of Business Administration) — 3 Years

Senior Secondary Examination (10+2) of Board of School Education Haryana, Bhiwani with 45% marks in aggregate or an equivalent examination recognised by this University. OR Three years Diploma Course conducted by State Board of Technical Education or any other examination recognized by the State Board of Technical Education as equivalent thereto Lateral Entry (10% seats of sanctioned intake) Candidates who have passed Diploma in Business Management or an equivalent examination approved by the State Board of Technical Education, Haryana with atleast 45% marks in aggregate

POST GRADUATE DEGREE AND POST GRADUATE DIPLOMA PROGRAMMES (FULL TIME)

ENGINEERING AND TECHNOLOGY (M.TECH) — 2 Years

B.E./ B.Tech. or equivalent degree in Computer Science & Engineering/ Computer Engineering/Information Technology/ Electronics & Communication Engineering/ Electronics Engineering / Electrical & Electronics Engineering/ Electronics & Instrumentation Engineering / Electrical Engineering or Master of Computer Applications (MCA) or M.Sc. (Computer Science/IT/ Software) or M.Sc. (Mathematics.) or M.Sc. (Physics) with at least 50% (47.50% marks for SC/ST candidates of Haryana only) marks in aggregate.

MANAGEMENT (MBA) — 2 Years

Bachelor/ Post Graduate Degree in any discipline with not less than 50% marks (47.5% marks for SC/ST/ Blind/ Visually and Differently Abled candidates of Haryana only) in aggregate or any examination recognized by M.D. University, Rohtak as equivalent thereto.

IF ANY CHANGES IN ADMISSION CRITERIA FOLLOW A.I.C.T.E, D.T.E & M.D.U GUIDELINES.

OUR DEPARTMENTS

DEPARTMENT OF COMPUTER SCIENCE

We offer **B.Tech in CSE (NBA Accrediated), M.Tech in CSE, B.Tech in AI and BCA**. Our graduate degree in computer science is designed for flexibility and will provide you with ever-increasing opportunities to solve problems through computing. You might create your own start-up or work with one of the well-established powerhouses of the software industry. In addition, you'll be getting a superb liberal arts education that will enrich your technical and scientific training and help you to become a better problem-solver, team member and manager.

The best companies recruit our computer science graduates every year giving them a broad range of career choices.

CARRIER OPPORTUNITIES

Some roles for which our graduates get hired include:

- Developers and Specialists in High-end Services and IT-product companies
- Development Engineers, Technical Leaders and Managers Entrepreneurs
- Consultants, Solution Developers and Computing Specialists in Research Labs and Tech Providers
- System/Network Performance Analysts

DEPARTMENT OF ELECTRICAL ENGINEERING

We offer **B.Tech in EE (NBA Accrediated)**. Electrical Engineering Technologists are specialists in generation, transmission, distribution and utilization of Energy and can further expand their career horizon into Electrical & Industrial Automation. As the world prepares for the challenges posed by climate change and ever increasing demand of quality products at a faster pace, if you want to make a difference in combating this pressing global problem, as innovators of environment-friendly products and services to improve quality of life.

CARRIER OPPORTUNITIES

Electrical Engineers are in high demand in India. In the recent years, from homes to companies, These Engineers can work in Atomic Power Plants, Hydel or Thermal Power Plants.

Job opportunities are ample in both private & public sectors like, Railways, Civil Aviation, Electricity Board and Utility Companies, Electrical Design and Consultancy Firms and all types of manufacturing Industries like ABB, Reliance Power Ltd, ONGC, BHEL, CIL.

OUR DEPARTMENTS

DEPARTMENT OF MECHANICAL ENGINEERING

We offer **B.Tech (ME)**. Mechanical Engineering is a discipline of Engineering that is concerned with the working mechanisms of heavy tools and machineries. It appiles the principles of Physics and Material Science for analysis, design, manufacturing and maintenance of mechanical systems.

Students are introduced to Science & Art of formulation, design, development and control of systems, with involving Thermo-dynamics, Mechanics, Fluid Mechanics, mechanisms and conversion of energy. Students are constantly guided by faculty of national and International repute, who are also members of prestigious Engineering societies.

CARRIER OPPORTUNITIES

There is tremendous scope for Mechanical Engineers in industries including Aerospace, Automotive, Biomedical Chemical Computers, Electronics, Fossil and Nuclear Power, Manufacturing, Pharmaceutical, Robotics and Textiles design. Also Scope in testing and evaluation, manufacturing, operations & maintenance,Public sector units like Railways, ONGC, Indian Oil, ISRO.

DEPARTMENT OF MANAGEMENT STUDIES

We offer Post graduate program in 2-years **MBA General** - CBCS (dual specialization in Human Resource, Marketing, and Finance) and undergraduate program in **BBA** in our department. The program emphasizes practical experience for which extensive interaction with the industry is built. These programs are more than an academic pursuit- it's a commitment to nurturing and training individuals with the skills required to navigate diverse sectors of the economy. The diversity in our course curriculum fosters academic flexibility, promoting innovation, creativity, resilience, and adaptability-qualities essential for facing the challenges of the contemporary business world.

The primary focus of our department is to prepare students for the demands of the modern industry. We are committed to providing comprehensive support to ensure the successful placement of all our students.

CARRIER OPPORTUNITIES

Our graduates get hired as Employee Relations Manager, Sr. Employment Analyst, Human Resource Director, Management Consultant, Accountant, Compensation and Benefits Manager,also they can start their own business in a variety of industrial sectors.

NATIONAL BOARD OF ACCREDITATION
B.TECH.- CSE & EE
2023-2026
ACCREDITED BY

VCE IS NBA ACCREDITED

At Vaish College of Engineering, B.Tech (CSE) and B.Tech (EE) have been accredited by National Board of Accreditation (NBA) which firmly positions us among the top engineering & management institutions of the country This bears testimony of our distinguished faculty, well equiped lab facilities, brilliant and intellectual students with industry collaborations.

Accredited Program strengths employer's confidence & values degrees of an accredited programme the most.

Accredited programme fulfils the commitment to excellence & continuous quality improvement.

राष्ट्रीय प्रत्यायन बोर्ड
चौथा तल, ईस्ट टॉवर, एन. बी. सी. सी. प्लेस, भीष्म पितामह मार्ग, प्रगति विहार, लोधी रोड, नई दिल्ली -110003

NATIONAL BOARD OF ACCREDITATION
4th Floor, East Tower, NBCC Place, Bhisham Pitamah Marg, Pragati Vihar, Lodhi Road, New Delhi 110003

File No: 21-3-2010-NBA

Date: 29-11-2023

To,

The Principal,
Vaish College of Engineering,
Behind Railway Station,
Rohtak - 124001, Haryana.

Subject: Accreditation status of UG Engineering programs applied by Vaish College of Engineering, Behind Railway Station, Rohtak - 124001, Haryana.

Sir,

This has reference to your application I.D. No. 8078-16/05/2023 seeking accreditation by National Board of Accreditation to UG Engineering programs offered by Vaish College of Engineering, Behind Railway Station, Rohtak - 124001, Haryana.

2. An Expert Team conducted onsite evaluation of the programs from 17th to 19th November, 2023. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Electrical Engineering	Tier II June 2015 Document	Accredited	Academic Years 2023-2024 to 2025-2026 i.e. upto 30-06-2026	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Computer Science & Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for 3 years. Vaish College of Engineering, Behind Railway Station, Rohtak - 124001, Haryana should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above so as to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to Vaish College of Engineering, Behind Railway Station, Rohtak - 124001, Haryana as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

Website: https://www.nbaind.org | Email:membersecretary@nbaind.org

---

-2-

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above programs is enclosed.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary

INFRASTRUCTURE

The infrastructure of VCE Rohtak includes various facilities and amenities to support academic, research, co-curricular, and extracurricular activities.

Academic Blocks

The academic blocks of VCE Rohtak are the hub of intellectual growth and innovation. It has Department office, Laboratories, Smart Class rooms equipped with modern teaching aids such as projectors, smart boards, audio-visual equipment, etc. It provides students with a conducive environment for teaching and learning.

Administrative Block

Administrative Block at VCE has Principal Office, Conference Room, Administrative Offices, Academic Office, Help desk cum enquiry counter Admission Cell, Library, Reading halls for students and account section.

INFRASTRUCTURE

Girls Common Room

College has a separate Girls Common Room, which provides a safe and welcoming space for female students to relax, and socialize. Equipped with comfortable seating, indoor games, and amenities, it fosters a supportive environment conducive to academic success and personal growth

Computer Center

Computer Centre at VCE Rohtak is a hub of technological innovation and learning. It includes Computer Labs, equipped with cutting-edge hardware and software with high speed internet facility, which offers students access to state-of-the-art computing resources for research, programming, and skill development

Integrated Platform

VCE boasts a cutting-edge ERP (Enterprise Resource Planning) system and a robust Learning Management System (LMS) to streamline administrative tasks and enhance the learning experience. From academic management to student engagement, our integrated platforms ensure efficiency, accessibility, and excellence in education.

Students, Faculties members and Staff of whole society made the event a fervent affair. Through various activities like patriotic songs, dance, speeches, college instil a sense of responsibility and citizenship among our students, empowering them to become future leaders who will uphold the principles of our Republic.

CLUBS & COMMITTEES

College clubs serve as dynamic hubs of creativity, collaboration, and personal growth within the institution. Designed to cater to a wide array of interests and passions, these clubs provide students with an invaluable opportunities to explore new hobbies, develop leadership skills, teamwork and forge lifelong friendships. There are three clubs in VCE Rohtak- Innovare Technical Club, Vivekanand Cultural Club, and Lala Lajpat Rai Sports Club.

Clubs Structure: These clubs typically have a diverse membership base comprising students as Male and Female Coordinators, Co-coordinators, Incharges, and members from each department and each class. Each club have elected or appointed Faculty Coordinator who oversees its operations, organize activities, and serve as a point of contact for external engagements

Innovare Technical Club

Innovare Technical Club of VCE Rohtak serves as a hub for students passionate about innovation, technology, and problem-solving. As a premier platform for fostering technical proficiency and creative thinking, the club offers a diverse range of activities and events tailored to enhance students' skills and knowledge in various technical domains. By organizing Techno-Management Fest, Techathone, Expert Lecture, Industrial Visits, Workshops, Seminars, and such other events, the club provides invaluable opportunities to students for experiential learning and collaboration. Members have the chance to delve into cutting-edge technologies, engage in interdisciplinary projects, and network with like-minded peers. Whether exploring robotics, coding, electronics, or any other technical field, the club empowers students to explore their interests, expand their horizons, and prepare for future career endeavors in the dynamic world of technology.

Vivekanand Cultural Club

Vivekanand Cultural Club of VCE Rohtak serves as a vibrant hub for fostering diversity, creativity, and mutual appreciation of various cultural expressions. Committed to promoting understanding and unity among students from diverse backgrounds, the club organizes a myriad of events, including annual functions, youth festivals, farewell party, fresher party, music performances, dance showcases, and such other cultural events. Through these activities, students have the opportunity to showcase their talents, learn about different cultures, and forge lasting friendships. Vivekanand Cultural Club also actively participates in community outreach programs, collaborating with local organizations to promote cultural awareness and appreciation beyond the campus borders. By engaging in inclusive and enriching cultural experiences, members of the club not only celebrate diversity but also contribute to the development of a welcoming and inclusive campus environment.

Lala Lajpat Rai Sports Club

Lala Lajpat Rai Sports Club at VCE Rohtak fosters a vibrant and inclusive environment, promoting physical well-being, teamwork, and sportsmanship among students. With state-of-the-art facilities and dedicated coaching staff, it offers a diverse range of sporting activities to cater to the interests and skill levels of students. From Athletic and traditional sports like football, basketball, and cricket to niche activities such as badminton, table tennis, chess, also provides ample opportunities for students to engage in healthy competition and recreational pursuits. The club organizes various tournaments to enhance camaraderie and build a sense of community within the campus. Club commits to have excellence beyond the playing field, as it emphasizes the importance of discipline, perseverance, and fair play.

12. PARAKH Cell
13. Right to Information (RTI) Committee/ CM Window Committee
14. Grievances & Redressal Committee

ALUMNI CORNER

VIVEK SANGHI, Entrepreneur Co-Founder ECARE TECH LABS With guidance from faculty and colleagues, the B.Tech. Course at VCE, allowed me to gain knowledge required for my career, target my weaknesses while simultaneously expand on my strengths. Thanks to both academic and out of classroom experiences, I believe the biggest learning was making own decisions and building better relationships, during the tenure.

PRAYAS CHOUDHARY, Founder & Director, Jiwani Consultancy Ltd UK, IT Consulting, Edinburgh, Scotland The most important life skill I learnt in my four years at VCE was to effectively communicate & collaborate with large group of people having different point of view towards things. A good communication is generally considered to be able to explain things fluently in a language, but it is not always most effective.

LALIT SINGLA, Head - Healthcare Practice Optum Global Solutions, United Health Group, Gurgaon It's a privilege to be invited for a brief write-up for Vaish College of Engineering brochure. I welcome the budding talent who have chosen to pursue their professional education here. My message to all of you is to build the basics and foundation right, experiment, learn, innovate and develop your own points of view on areas you're focused on.

PARVEEN MITTAL Director, 30Days Technologies Pvt Ltd Getting into a technical institution is an investment that paves a way towards your future. You must be proactive to learn, be innovative, be experimental with your knowledge and make sure you keep yourself updated about latest technologies. Wish you all good luck and looking forward to great technical talent coming out of our college. Best wishes to the students for bright future ahead.

VARUN GOYAL, IRS-IT (Indian Revenue Service-Income Tax) "It is my privilege to be associated with this great institution of learning which has a history of more than 20 years. Here I learnt many life skills as a student which in short term helped me to clear Civil Services Examination and in long term will help me in becoming a successful human being. I believe always wins irrespective of the fluency or the language.

BHUPENDER SAHARAN, CEO and Founder at VVDN Technologies Pvt Ltd Entrepreneur, Visionary and Engineer by heart, Bhupender aka Bhupi has had focused on "Innovation" from the beginning of his career. Bhupi's fast track career journey from an engineer to CEO of one of the country's leading ODM is an ideal example of how passion, motivation and vision can lead to one's success.

SANDEEP MAKHIJA, XEN Power Department Haryana,Education from VCE did help me get lots of opportunities for work. I have learned and grown beyond my expectations. I am forever grateful. So I welcome you all to Vaish Engineering College campus. Hope you will enjoy your next four years. I learnt a lot here and I value it every day. I wish all the faculty and management success in their

HIGHLIGHTS OF THE T&P CELL

- PERSONALITY ANALYSIS THROUGH PERSONALITY DEVELOPMENT PROGRAMMES
- TECHNICAL SEMINARS, WORKSHOPS AND CORPORATE EXPECTATION SESSIONS
- PERSONALITY GROOMING AND SKILL ENHANCEMENT
- FACILITATING TRAINING OF STUDENTS IN THE INDUSTRIES, ARRANGING INDUSTRIAL VISITS AND HELPING IN PROJECT WORK RELATED TO THE INDUSTRIES
- EMPOWER STUDENTS WITH LIFE-LONG CAREER DECISION-MAKING SKILLS
- ASSISTING DIFFERENT COMPANIES IN RECRUITING CANDIDATES AS PER THEIR REQUIREMENTS
- ACT AS A LINK BETWEEN STUDENTS, ALUMNI AND THE EMPLOYMENT COMMUNITY

OUR TOP RECRUITERS

INDUSTRY INTERACTION

Industry relation at VCE driven by TPO cell that provides institute interaction with new corporate trends. It provides collaboration between academic and industrial fields. The Industry Institute Interaction formed to improve relations with industries. Our goal is to identify the gap between industry needs and the institute's end product.

It provides Excellence in programs are as follows:

- Industrial Expert sessions
- Live projects
- Industrial internship
- Industrial Visits
- Students training programme
- Seminars / webinars with industry experts

Beyond the conventions of a classroom, the main aim of VCE is to provide more diverse learning experience to students.

This exposure is met through academic tie-ups with high-end brands that expand globally and bring an extensive bundle of information that students practically apply and learn from. Leading companies like Technofast Industry, Jindal Packaging Industry, Unique Décor, Pioneer Panel Product Ltd, SKM Trading Company have MOU's with VCE and shall offer exclusive key takeaways for students to benefit from.

Impact analysis of industrial training

- Students gain practical knowledge to the real working environment that helps them to enhance their skills.

- Students got opportunity to organize the work and engage in active learning experiences.

- Enhances the interpersonal and communication skills of students.
